

Core Competencies

Laser Underground & Earthworks, Inc. has been a premier heavy civil contractor in the Seattle area since 1990. We specialize in earthworks and water, storm, sewer infrastructure improvements. Our scope includes both public works and private commercial, and our specialized crew and equipment have made us a partner of choice for emergency repairs. Our bonding capacity exceeds \$15M. We are a union signatory affiliated with Local 242 and IUOE 302, and in the final stages of MBE & WBE certification.
